 Description: Report about French and indian positions by four indian spies.

Present  
 Coll. C[?] Schuylor Att a meeting of the Comrs for the  
 E Bankor Esq. Majr management of the Indian Affairs  
 John Abel Record in Albany the 14th of Aug. 1708  
 Capt John Schulor  
 mr [?] John Cuylor Cobby  
 Capt P Sar [?] Brush  
 Charles Oliver Comm  
 Henry Holond Esq Sherrife

This day Returnd the four Indian Spyes Sente toward Canada to Spy ye motions of the French army gone out from thence. I doe Inform us yt[?] on their Journey they meet three Indians from Canada in the wood Creek[?] here the falls coming to to this place from whome they have Intelligence of ye Said Army Going come as far as to Fort La Mott. The Indians of Cagnawago Castle haveing recd advice their [?] the Jesuits of that Casle Did Set forth [?] the Govenour of Canada did not desire more of them to goe then teen & yt the most of them were voluntry gone of their own Accord, they A ledging that they would not have gone had they not in a manner bin forced thereto by the Gov of Canada, means Emeadiatly threw away ther Indian Meal Provided for that Expedition & Returned home wards—who in ther Return heard that upon Inteligence therof to the governor of Canada he was Come to Chambly in order to perswade or Comand them back againe. where upon Sevrall took their Course, threw the woods by the way of Laplarie to their Castle, others with ther Conovo[?] by ye way of Chambly— They say further that part of ye Army went to proceed on this Expedition towards new England but[?] going up the river of Skahonsoware with their Battoes Could not gitt forward for want

Want of water so that the whole Armie Return'd  
to Chamblly Except the Capt of the force  
at Cagrawage who tarry'd at ye Reste[?] of  
fort St. John Expecting y<sup>e</sup> govenour further  
orders. That the Gove. of Canada  
was very angry at their Return Since he  
had bin at so[?] great Charge as Also to Provide  
the Indians <sup>each</sup> with a gun & Ammunition  
where upon the Indians made Answer that they  
were willing to Satisfie him for the guns &  
what Els was Layed out upon them
