New Orleans Oct 3<sup>d</sup> 1862.

Governor.

I forward you  
the List of Promotions, which  
was sent by Maj Hastings to  
you at Portland.

I am very  
certain that Bray & Garnsey  
were recommended without  
designating the Letter or Co"  
but to fill the vacancies in  
"K, & G" to be assigned as you  
thought best.

Respectfully &c
