Rev Sir

The Committee of the Society for suppressing vice & immorality, lately established in this town judge it would be attended with beneficial effects if a weekly paper should be published in the Town of Boston which should be confined to the subjects hereafter mentioned They apprehend a sufficient subscription might be obtained for the ample support of it, if proposals should be issued for that purpose and circulated throughout the state: especially if it were recommended & encouraged by the Committee of the Massachusetts Society

Although from this hint you might judge not only of the expediency of such a publication, & of the matter with which it should be principally filled, yet that you may fully have our Ideas on the subject, we take the liberty to suggest the following, which if you should approve of the Plan in general, you can alter as you see fit -

Proposal for publishing a weekly paper to be entitled -
The Christian Gazette

The design of which is as follows viz
1 To give information with regard to the measures taken at the present day to distribute the holy

Proposal for publishing a weekly paper to be entitled

The Christian Gazette

the design of which is as follows viz

1 To give information with regard to the measures taken at the present day to distribute the holy

holy Scriptures and ~~promote~~^{spread} christianity through
out the world and to promote a general attention to
the precepts of the Gospel - with such occasional essays
and observations on religious subjects (without
bias to any particular denomination of Christians)
as may tend to meliorate the heart and produce
an exercise of religious Duties -

2. To exhibit the benefits of morality in
all its branches and propose Plans for promo-
ting virtue and restraining vice -

3. To make known what Societies are or
maybe established. and works published condu-
cive to those important purposes -

4. To communicate in a summary way, the
News of the Day - the transactions of public
bodies that may be judged important. Improve-
ments in the Arts and Sciences - Agriculture
and Mechanic - and generally whatever may
contribute to the Interest and Happiness of
the Citizens at large -

The price and price of the Paper we submit
to your consideration - If any extra aid
could be given for its support by the several
similar Societies in the State, and a general
subscription obtained the price might be set low

For those who wish to save the expense of
Postage, they might be put up in Bundles, and
sent to some suitable Person in each Town by
private conveyance -
