

State of Maine

[Seal]

Executive Department

Augusta July 30 1867

My Dear Genl

I beg to introduce to
your favorable regard
Mr B. B. Eaton a member
of the present graduating
class at Bowdoin College .

I formed a most agree-
able acquaintance with
him during my connection
with the college, and believe
him to be entirely worthy of your
confidence and association
He wishes to study with you
or to follow your suggestions
as to a professional course.

I shall be glad if you can
