Keith or any body else for taking  
faces he says all the Merchants of South

up in the stores for specimens. You had  
a paper from Emily Baker and inside

Mary - Capt Plummer staid at our  
house last night. he is not very well  
troubled with the fever nague his Brig layes

lonesome enough; after you went away I  
was out in the house hardly for the whole  
day. My respects to the Family. And tell Arabell
