

Dear Sarah

As it happened we both got
disappointed in not meeting at the sewing
society. I anticipated meeting with you there
and also intended to have sewed for you a
part of last week but my sister and her husband
went to Newcastle on a visit so I had to be
housekeeper I expected them back yesterday
but they have not come yet I shall help you
two or three days of this week if you wish.
If it is convenient I will come Tuesday, ~~if not~~
if not Wednesday morning you spoke of the
clothes keep them if you please until I shall
see you
Yours as ever
