Description: Letter from Joshua Richardson to David C. Magoun concerning Savannah

ship timber. (Only one letter from this page has been transcribed)

Portland May 8, 1841

David C. Magoun Esq.

Dr Sir

I have a cargo of 1st quality
Savannah ship timber (to arrive) consisting of 50 sticks of 30 feet
for set of beams, 10 M. of 3 by 6 deck planks (clear) and a quan
tity long thick planks for various purposes, the remainder
of the cargo is of the first quality timber squaring 12 to 16 inches. –
I wish you would find a market for this cargo, I have
not yet received an Invoice, but think the square timber
will cost 16 dolls. M. delivered here, you will please make
enquiry of your ship builders, and if they are in want, I can
sell it to them at a less price than they can import it.

I should have no objection to selling upon a credit of 4 mo." for such paper as you will guarantee at $2\ 1/2\%$, in addition to the commission of $2\ 1/2$, your early attention to it will much oblige

Your obdt. servt.
